The Organisers have taken all reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must themselves take all reasonable precautions to avoid and prevent accidents and obey the instructions of the Organisers/officials at all times. Except where excluded by law, neither the Organisers nor any person acting on their behalf accept responsibility for any loss, damage, accident or injury to competitors, spectators or any other person or their property whatsoever or howsoever caused.

Shooting

Protective or prescription glasses are recommended at all levels of competition and are COMPULSORY for competitors shooting at 7m.

Safety flags (eg. trimmer cord) must be inserted in pistols at all times except when authorised by the Firing Point Steward.

Guns must be brought to tables in their boxes and opened only on command of the Firing Point Steward. They must be boxed again before the competitor leaves the firing point. Guns may only be carried by those over 18 years or under the supervision of a person over 21 years. When not in use, guns must be stored in a secure place (i.e. in a vehicle, out of sight). Please ensure competitors are aware that footwear must not cover the ankle (i.e. no boots). Long trousers must be worn.

At firing points, all mobile phones and any other type of communication system must be silenced and out of sight. Elsewhere in the range environment, mobile phones should be silenced and may not be used to photograph or view competition targets on the range. This applies to athletes, officials, spectators and all other persons with no exception.

Any breach of safety rules may result in disqualification.
